ABOUT

TKM College of Engineering Kollam, Kerala, India

TKM College of Engineering is more than an institution of engineering—it is a legacy of vision, innovation, and ambition that has been shaping generations since 1958. Founded by the visionary **Janab Thangal Kunju Musaliar**, TKMCE has grown from a pioneering engineering college in Kerala into a dynamic community of students, researchers, innovators, and changemakers. Set against the rich cultural landscape of Kerala, the campus brings together academic excellence, cutting-edge technology, hands-on learning, research, creativity, and a spirit of entrepreneurship.

Department of Mechanical Engineering

The Department of Mechanical Engineering at TKM College of Engineering is a centre of academic excellence, technical expertise, and innovation. With a strong foundation in mechanical sciences and engineering principles, the department provides students with comprehensive exposure to design, manufacturing, thermal and fluid sciences, materials, automation, robotics, and emerging technologies. Supported by experienced faculty, well-equipped laboratories, research activities, and practical learning, the department fosters an environment where students can develop both theoretical knowledge and engineering skills.

About

IC-AITEWA 2027

IC-AITEWA 2027 — International Conference on Artificial Intelligence and Intelligent Technologies for Energy, Water and Automation brings together researchers, academicians, industry leaders, innovators, and young researchers to explore how intelligent technologies can address some of the world's most pressing engineering challenges. Held at TKM College of Engineering, Kollam, the three-day international conference is centred on the theme "Advancing Sustainable Energy, Water Security and Smart Automation through Intelligent Technologies." The conference will create a dynamic platform for exchanging ideas, presenting cutting-edge research, fostering interdisciplinary collaboration, and building meaningful international and industry partnerships across **Artificial Intelligence, Sustainable Energy, Water Technologies, Intelligent Manufacturing, Robotics, Digital Twins, Industry 5.0, and Smart Infrastructure**. Featuring international and national keynote speakers, technical sessions, expert panels, research presentations, innovation showcases, pre-conference workshops, and an industry exhibition, IC-AITEWA 2027 aims to connect research with real-world impact and bring together diverse perspectives to shape a smarter, more sustainable, and technologically advanced future.

Sri. T. K. Shahal Hassan Musaliar
President, TKM Trust &
Chairman, BoG, TEQIP II, TKMCE, Kollam

Patrons :

Sri. T. K. Jalaluddin Musaliar
Treasurer, TKM Trust
Sri. Jamaludeen Musaliar
Member, TKM Trust
Dr. M. Haroon
Member, TKM Trust

Chairman :

Dr. Sadiq A
Principal, TKMCE, Kollam

Chair :

Dr. Sudheer A
Professor & Head, Department of Mechanical Engineering

Organizing Secretaries :

Dr. Baiju V
Associate Professor, Department of Mechanical Engineering
Dr. Jesna Mohamed
Associate Professor, Department of Mechanical Engineering
Dr. Takashi Suzuki
Professor, Sophia University, Japan
Dr. Jan Kazak
Associate Professor, Wroclaw University of Environmental and
Life Sciences, Poland
Dr. Chai Ai Bao
Associate Professor, University of Nottingham, Malaysia
Dr. Mohamed R. Ali
Professor, Sohar University, Oman

Joint Secretaries :

Dr. Leena R
Assistant Professor, Department of Mechanical Engineering
Dr. Firoz N
Assistant Professor, Department of Mechanical Engineering
Dr. Faraz P Junaid
Assistant Professor, Department of Mechanical Engineering
Prof. P.G. Karthik
Assistant Professor, Department of Mechanical Engineering
Dr. Anand Sekhar R
Assistant Professor, Department of Mechanical Engineering
Prof. Ahammed Bilal
Assistant Professor, Department of Mechanical Engineering
Prof. Mohammed Irfan A
Assistant Professor, Department of Mechanical Engineering

Advisory Committee

International Advisory Committee

1. Dr. Mitsuhsa Ichianagi, Sophia University, Japan
2. Dr. Pratheek, Oman
3. Dr. Nibal Fadel Farman Alhialy, University of Baghdad
4. Dr Sathish Clastinrusselraj Indirathankam, University of New Castle, Australia
5. Dr. Sandra Boetcher, Emry– Riddle Aeronautical University, USA
6. Dr. Afrah Turki Awad, Northen Technical University, Iraq
7. Dr. Aravind PV, University of Groningen, Netherlands

National Advisory Committee

1. Dr. Rajesh Baby, St. Joseph's College of Engineering & Technology, Palai
2. Dr. Dibakar Rakshit, Indian Institute of Technology, Delhi
3. Dr. Ravish, Mythri Aqua Tech Hyderabad
4. Dr. Joy Varghese, College of Engineering, Thiruvananthapuram
5. Dr. Anish K John, Govt Engineering College Barton hill
6. Dr. Pallav Sinha Mahapatra, Indian Institute of Technology, Madras
7. Dr. Vinay V. Panicker, National Institute of Technology, Calicut
8. Dr. Ravita Lamba, Indian Institute of Technology, Roorkee
9. Dr. Sanjay Kumar Singh, Indian Institute of Technology (BHU), Varanasi
10. Dr. Sarvoththama Jothi, National Institute of Technology, Calicut
11. Dr. Ranjith M., National Institute of Technology, Surathkal, Karnataka
12. Dr. Manikandan Sundararaj, SRM Institute of Technology Chennai
13. Dr. Anoop Velayudhan, ICMR, NewDelhi
14. Dr. Salih A, IIST Thiruvananthapuram

SCHEDULE

OCT 10, 2026

ABSTRACT SUBMISSION
